### **Expert Discovery**

If the Court has set no specific deadlines for the disclosure and timing of expert testimony, Fed. R. Civ. P. 26(a)(2)(D) will govern the disclosure and timing of expert testimony.

### **Practice Guidelines**

The parties are required to review and comply with this Court's practice guidelines, which are located at: <http://www.mied.uscourts.gov/index.cfm?pageFunction=chambers&judgeid=44>.

### **Discovery Disputes**

The parties are required to first confer and attempt to narrow any disagreements regarding discovery. E.D. Mich. Local R. 37.1.

In the event a dispute still exists after the parties confer, the Court's practice guidelines require parties to contact the Court's Case Manager via email prior to filing any discovery motions. The Court will then hold a video status conference with the parties regarding the subject of the dispute. The Court will only permit discovery motions to be filed after it holds a conference on the dispute; discovery motions filed without leave of Court will be stricken from the docket.
